Bus service improves in Haliburton Highlands

Bus service between the Haliburton Highlands and Lindsay, Peterborough and Toronto will be considerably improved as a result of new services announced by Travelways, effective June 14, 1974. Convenient new schedules and improved fare plans were among the changes announced recently.

NEW SCHEDULES

Fast,—convenient new schedules take effect on Friday, June 14, 1974. For the first time it became possible for passengers to travel from the Haliburton Highlands to Lilndsay, Peterborough or Toronto and return on the same day. The new schedule provides for regular service leaving Haliburton at 7:15 a.m. and Minden at 7:35 a.m. daily except Sunday, with arrival in Toronto at 10:20 a.m. Passengers will have approximately six hours in the Toronto area with the return trip leaving Toronto at 4:15 p.m. arriving in Minden at 7:10 and in Haliburton at 7:30.

Several additional trips are provided on Friday, Saturday and Sunday to meet the needs of the travelling public in this area. All trips to and from Toronto provide direct service to the new Scarborough Town Centre shopping mall.

HUNTSVILLE SERVICE

With the increasing Summer population in the northern part of Haliburton County and in the Lake of Bays area, Travelways will provide service this summer between Toronto and Lindsay through Minden to Huntsville via Hwy. 35. This service will operate in both directions on Friday, Saturday and Sunday each week throughout the summer months. It is anticipated that this improved service will prove useful to residents and cottagers in this area.

SAME DAY FARE

Passengers travelling from Haliburton or Mnden to Lindsay, Peterborough or Toronto who are returning the same day may take advantage of a 25 percent discount from the usual fare. This Same Day Return fare is available on Monday, Tuesday, Wednesday and Thursday each week.

TAKE A FRIEND PLAN

Any two passengers travelling together between Haliburton or Minden and any other point served by Travelways who are going and returning together on the same day, may take advantage of this plan. One passenger pays the regular return fare; the second passenger travels free. The Take A Friend Plan is available on Tuesdays and Wednesdays only.

BUS PARCEL EXPRESS

All scheduled services offered by Travelways provide Bus Parcel Express service. This enables shippers to provide same day delivery between most points in Ontario and the Haliburton Highlands. Bus Parcel Express is fast and convenient and is recognized by most shippers as being the most economical way to ship. As many as five items addressed to the same consignee may be shipped on one bus bill providing the total weight of any one piece does not exceed 75 pounds.

Travelways intends to provide the very best of service to the residents of the Haliburton Highlands that is economicaly feasible.

This is part of the group of senior students at the Dorset Public School that made this rug for presentation to Upper Canada Village. The group was taken to the Village by school principal Mrs. Dorothy Kinsman, and teacher Mr. John Bailey. Front row (from left to right) Brian Barnhart, Joyce Brooks, and Tammy Macr. Back row: Anne Clark, Joanne Robinson, Mary McKay, and Tom Brown.

Students make pioneer rug

The senior students from Dorset Elementary School have had a busy year. One of ther projects has been the creation of a Pioneer Petal Rug. In their recesses and noon hours they have cut and sewn together colourful woolen pieces. All the material was donated in the form of woollen coats or jackets. The students cut them apart ready to be washed.

Mrs. McLaughlin, our volunteer craft assistant, washed and dyed the material, then the pieces were cut into petal shapes and stitched by the students.

This hand-crafted pioneer rug was donated to Upper Canada Village at Morrisburg, on Wednesday, June 5 when some 40 students visited this historic area.

Art Gallery opens in old schoolhouse

The old Stone Schoolhouse (S.S.#1 Lutterworth) on Green Gables Road at Moore's Falls is to be opened as an Art Gallery and Craft Co-operative.

The school is on the property owned by Bill and Edith Sanders and is ideally located for this new venture.

Mrs. Sanders has been associated with arts and crafts for many years. During the past year or so, she has been the instructor for the "New Horizons" Programme held in the Coboconk Centre.

The Gallery will be open to the Public during the last week of June and during the summer. It will feature several artists work, as well as hand-crafted items by several skilled craftsmen.

Local crafts people with good quality items are invited to call 454-8059.

Gull River drops to second place

After leading the league for three weeks, the Gull River Buildall dropped to second place behind Dominion Hotel Shufflers on Monday evening.

Dominion once again defeated the Builders in the ninth inning, this time 9-5. After Neil Burk had slugged his third homer of the game in the bottom of the eighth to tie the game 5-5, Dominion's Dave Trepanier clouted a three-run blast in the top of the ninth to put the game out of reach.

On Tuesday evening in Haliburton, the Huskies jumped all over the injury riddled Gull River team to the tune of 15-3. Once again the game was tied at 3-3 in the fifth when the roof fell in for the Builders. The Huskies scored five times in the fifth, once in the sixth, three in the seventh and three in the eighth to win easily.

Some of the walking wounded on the Gull River team who are looking forward to a six-day rest before tangling with the Vasey Midgets of Haliburton on Monda evening in Minden are, Neil Burk (heel), Cliff Burke (hamstring), Bob Austin (knee), Tom Lee (shoulder and neck), Wayne Johnson and Fred Simmons (spike injuries).

DOMINION HOTEL REMAINS UNBEATEN"

The Dominion Hotel Shufflers remained unbeaten with a record of six wins and a tie this past week, when they downed Gull River 9-5 and then trounced Gooderham 15-4.

Dave Trepanier smashed a three-run homer in the fifth, his fourth of the year, to give winning pitcher Royce Miller (2-0) all the help he needed in posting his second win of the season. Dave's homer was the start of an eight-run inning that broke up a surprisingly tight game. Gooderham only trailed 4-3 going into the bottom of the fifth inning. Dominion got eight in the fifth and three in the sixth of losing pitcher Vince Billings. Dave Dollo relieved Royce in the fifth and gave up one run on four hits and two walks in three inings. Umpire George Nichols called the game at the end of seven due to darkness.

Cubs and Scouts hold evening

On Monday, June 10, a very successful and enjoyable evening was presented by the Haliburton Cubs and Scouts.

The program opened with O Canada played by Betty Salvatori.

Len Salvatori then gave a few enlightning remarks on the history of Cubbing and Scouting in Haliburton.

Following his talk, the Cubs, under the leadership of Walter Webb, Terry Barnum, Bill Rinne, and Len Salvatori presented their part of the program.

All the Cubs should be congratulated for their educational and entertianing presentation.

Included in their program was a look at a typical Cub Opening Ceremony and inspection, a knot relay, a game called "In the Pond", as well as a very humerous and stimulating Sing Song. Their program ended with the Pack's usual closing ceremonies.

The 1st Haliburton Scouts, under the leadership of Scouter Ed Whiteway, then took the floor.

Master of Ceremonies for this part of the program was Scout Marty Grant. He should be commended for the grand job he did.

The Scouts began their part of the program by presenting a usual Scout opening ceremony.

This was followed by Scout John Johnson giving his rendition of a typical Scout meeting.

Because badge work is considered an important segment of Scouting, Marty Grant gave an explanation of the amount of work and information that has to be learned in order to receive a badge.

Chris Hodgson and Ken Wyllie, with help from John Johnson, then gave a very interesting and useful demonstration on first aid.

To lighten the program the Scouts presented four short skits. These were humerous, well organized and showed imagination.

Larry Sicard and Willie Tyler then gave a talk of Rocketry. This was found to be very informative and it makes me happy to see boys devoting so much time to such a fascinating hobby.

To close the Scout part of the program a play was presented depicting Lord Baden Powell during the Boer War. Before intermission a special act was performed by Walter Webb. Dressed in a young school boy's outfit, Walter nervously presented Johnny's Recitation.

Following intermission Len Salvatori thanked Grant Rae, who during the past winter helped the Cubs in his work-shop to earn their Wood Working Badge. One of the projects that the boys undertook was the building of a birdhouse. Prizes were presented to the best three as judged by Marvin Varty. Roy Scott, and Gerald Dawson. First prize went to Brian Lloyd, second went to Jeff Whitfield and third went to Mike Rae. Honourable mention went to Tony Scheffee and Scott Rae.

To close the evening Len Salvatori and Walter Webb presented slides of Cubs and Cub activities that they were involved with since Cubbing began in Haliburton.

The Scout Group Committee would also like at this time to thank the parents, friends and relatives who were present that evening. Also much thanks goes to the leaders Walter Webb, Len Salvatori, Terry Barnum and Bill Rinne who devoted so much of their time to the Cubs and also to Ed Whiteway, Ted Granger and Dave Kennedy who helped with the Scouts.

Fun night is held at Gooderham school

On Friday, June 7, a 'Fun Night' was held at the Gooderham Elementary School. It was an enjoyable evening with something of interest for everyone.

There were tables full of delicious home baking, a white elephant table, a fish pond and a refreshment booth. Films were shown in one of the classrooms and in another there was an exhibit of pioneer life.

The pioneer exhibit was the students centennial project. The boys had constructed well-proportioned model log houses and furniture and the girls had made clothing of the same period. Oxen and other farm animals, modelled in plasticine, completed the small homesteads. In the same classroom there was a table of antiques and on the walls were short compositions by the pupils on pioneer life, the subject being 'Hard Work'!

A pair of pillowslips, embroidered by two of the students, were given as a door-prize. At the end of the evening, a draw was made on a hand-made quilt which had been made by the girls, under the guidance of Mrs. Judy MacDuff. The quilt was won by Mrs. Eileen Reil, of Gooderham.

Trap skunk!!!

Mr and Mrs Roger Vienot who live just outside of Haliburton on Highway 121 just recently had a few bears visiting with them in their back yard and then the raccoons came to visit and they were nothing but a nuisance.

When the Ministry of Natural Resources was called in to trap the raccoons, low and behold they ended up by catching a skunk.

Mr and Mrs Vienot wish to take this opportunity to thank the men from Natural Resources for their time and trouble in getting the skunk.

The second part was a ball game between the two Grade Four classes with Miss Puterbough's class the eventual winner 8-6.

The day would not have been such a great success if it had not been for the outstanding help received from parents. To these people we send a special thank you for your co-operation and help in making this a most enjoyable day for the children and the teachers.

Haliburton Scout Troop completes canoe trip

On the weekend of June 1 the first Haliburton Scout Troop completed a very successful canoe trip.

We started at the old chemical plant at Donald and went up the Burnt River.

The boys made two rigorous portages and finally camped at the head of Harrison's Dam.

The troop spent the rest of the day setting up camp, pitching tents, swimming, hiking, canoeing and a little fishing.

The water was still on the cool side but many of the boys and leaders endured the elements. It was a beautiful weekend weather-wise and all of the boys spent it in the warm sun.

For some of the boys it was their first big overnight canoe trip. The boys spirits carried on in high fashion throughout the trip.

Those present on the trip were 16 Scouts and 4 leaders, J. Whiteway, E. Whiteway, J. Miller and D. Kennedy.

The highlight of the trip seemed to be the swimming underneath the rushing waterfall.

Our evening was filled with some singing and a couple of ghost stories chilled the air.

We feel that because of the excellent success of the outing, the troop will make this an annual spring event.

The Scouts are planning another canoe trip in September of the new Scout year.

We plan to get the new year underway by the middle of September so if there are any lads between the ages of 10½ and up, who are willing to give Scouts an honest try then we extend the welcome mat to you.

As Scout Master, Ed Whiteway would like to extend his personal thanks to the assistant leaders Dave Kennedy and Ted Granger for their help this past Scouting year.

The organization has grown in numbers due to both conscientious Scouts and leaders within the troop.

Don't canoe til summer

Fourteen canoeists drowned in Ontario last year during the spring months. From research into the accidents which caused these deaths, it is obvious that inexperience on the part of the paddlers and cold water combined with unpredictable weather were the major factors.

The Ontario Safety League recommends the use of canoes as a comparatively safe and enjoyable craft when operated by trained people who are capable of coping with the problems and hazards which are involved under normal conditions. But the League states that an inexperienced paddler is only asking for trouble if he takes a canoe out on the cold waters of early Spring when capsizing is frequently a fatal accident. Unpredictable winds and waves contribute to Spring canoeing problems with storms coming up so suddenly that the inexperienced paddler could find great difficulty in reaching shore before his canoe founders.

The Ontario Safety League strongly advises canoeists to leave their favorite sport for the warm months of Summer when water is at swimming temperatures and an accidental dunking is only a refreshing experience.

Letter to the editor

Re: Rural Airport Facilities in Ontario Stanhope Municipal Airport - A Case Study

The Township of Stanhope is attempting to enlarge and extend the airport facilities at Maple Lake. The Maple Lake Property owners association is opposed.

A public opinion survey of the local residents in Stanhope shows that the majority of residents oppose any sort of extension to the existing facilities and will in fact never have any personal use for these facilities. The recent Fly-In has shown that the existing facilities can adequately handle large numbers of people and planes at one time.

This case study suggests that a detailed study be prepared to justify plans for extension and that a public referendum be held to determine public support. There is a great need for more public participation in local government and in Stanhope this could be encouraged by changing the council meeting day to Saturday.

The airport extension should not commence until all participants are satisfied that it meets the needs of the community.

Copies of the case study are available at the below address at a token cost of one dollar per copy.

A story of three fishermen

By Grace Gilder

Here's a story of three fishermen
Who went out to land a trout
Garnet had the fishing rod
Paul's net would pull him out

The lake was very calm that day
Even tho' the rain came down
And they must have sat for hours
Not making any sound

Then all at once Garn shouted,
"I've got something on my line."
"Get that net ready, Paul,
"On fish to-night we'll dine."

Oh, it was such a wonderful fight
Man pitted against beast
Figured by the fight it put up
It was 50 lbs. at least.

Twice he almost lost it
Every muscle ached
Tension was at its very peak
Paul's knees fairly quaked

At long last the battle was over
The catch was plain to see
Paul & Garn looked at each other,
Astonished, and cried, "A tree?!!"

Three days later
Paul and Don went out
Again expecting
To catch a trout

Don got a nibble
On his line
And when it surfaced
T'was a bottle of wine.

I kid you not,
These facts are true
Haliburton's just
The place for you

So welcome to our Lake Kashagawigamog
Not only do you catch fir-wood and fish
But, to go with it, a bottle of Grog.

Friendship

Have you somewhere at sometime met someone
Who has taught you what Friendship can hold.
If you have, then you're rich beyond measure
In a coin that's worth more than Pure Gold.

Are your dark days somehow specked with sunshine
Just because there is someone who cares.
For it is friendship that helps meet life's battle
With a courage to do and to dare.

Does someone condemn you for failure
When you strived and you slaved to succeed.
It's nice to know someone is sorry --
Sorry for you in your need.

Is success and achievemet made sweeter
When you know what it means to a friend?
It's nice to know someone believes in you.
Someone to trust to the end.

And so, while this world blindly struggles
In its mad rush for what it calls gold,
Just be glad when you think of that someone
Who has taught you what friendship can hold.

This plaque is one of the series being erected throughout the province by the Historical and Museums Branch of the Ministry of Colleges and Universities, acting on the advice of the Archaeological and Historic Sites Board of Ontario.

The main address was delivered by The Most Reverend Edward Scott, Primate of the Anglican Church of Canada while the chairman was The Rev. Andrew S. Hutchison.

The following people were called on for remarks at the unveiling ceremony: Mr. Reginald Booth, reeve of the Municipality of Anson, Hindon and Minden, Mr. Murray Fearrey, Warden of the Provisional County of Haliburton, Mr. Glen Hodgson, M.P.P., Victoria-Haliburton, Professor Wm. Ormsby, Archaelogical and Historic Sites Branch, Mr. William Scott M.P. Victoria-Haliburton, Mr. Norman Maidens, Minden Historical Society.

The inscription on the plaque

IN 1865, IN RESPONSE TO A PROPOSAL OF THE CANADIAN LAND AND EMIGRATION COMPANY, THE CHURCH OF ENGLAND IN CANADA ESTABLISHED THE MINDEN MISSION. THE COMPANY, WHICH HAD PURCHASED TEN TOWNSHIPS IN THE DISTRICT, AGREED TO ASSIST IN SUPPORTING A MISSIONARY AND THAT SAME YEAR THE REVEREND FREDERICK BURT WAS APPOINTED. A NATIVE OF ENGLAND, BURT HAD EARLIER SERVED AS MISSIONARY IN MONTREAL AND IN HUNTINGDON, QUEBEC. AT THE VILLAGE OF MINDEN, WHICH SOON BECAME THE CENTRE OF HIS MISSION, BURT FIRST CONDUCTED SERVICES IN A SCHOOLHOUSE, BUT ABOUT 1868 CONSTRUCTION WAS BEGUN ON THIS SIMPLE FRAME CHURCH. IT WAS DESIGNED IN THE GOTHIC STYLE AND REMAINED LARGELY UNALTERED UNTIL 1947 WHEN THE TOWER AND PARISH HALL WERE ADDED.

Following the unveiling of the historical plaque marking at St. Pauls Anglican Church on Sunday our photographer Dal Hubbert took the above picture of some of the speakers who took part in the service standing in front of the plaque. From left to right, The Reverend Andrew S. Hutchison, Norm Maidens, Professor Wm. Ormsby, Walter Noice, Murray Fearrey, Bill Scott M.P., Glen Hodgson M.P.P., Reg Booth, The Most Reverend Edward Scott, D.D.

Glen Hodgson, M.P.P. for Victoria-Haliburton is shown last Sunday giving his remarks at St. Paul's Anglican Church in Minden at the Ontario Historic Site Marker Unveiling Ceremony held at the church.

Pictured above on the left are some of the members of the Haliburton Legion Pipe Band, while on the right is the Haliburton County Centennial Choir shown singing at the Ontario Historic Site Marker Unveiling Ceremony held at St. Paul's Anglican Church in Minden on Sunday June 16, 1974.

News from Minden

Gerald Coulter of Toronto was a weekend guest with his parents Mr and Mrs Angus Coulter.

Sincere sympathy to the family and friends of the late John H. Harrison whose funeral was last week.

Sorry to report that Miss Jane Whistle is a patient in the local hospital; Holly Sevens was moved to Haliburton Hospital where he can get theraphy. Mrs Grant Hewill has returned home after some time spent in Toronto General Hospital.

Mr and Mrs Ray Rivers and Trevor spent the weekend with her parents Mr and Mrs Arnold Coulter.

Miss Islay Sears was the recipient of a Wedding Shower, Saturday night at the Joe Warburtons. After opening the gifts she thanked everyone and Gary Warburton entertained by showing home movies. A delicious lunch and cup of tea served by the hostess brought the evening to a close.

Mrs Dick Gourd of Beaverton visited with friends in the village last weekend.

Last Wed. was again Haliburton County Library Workshop at the County Office with all librarians and staff present. There were discussions and questions were answered with Heather Gardiner in charge. Several events are coming up this summer with more details later. Dates were given for Book Exchanges late in July.

Sunday was A Special Day at St Paul's Parish with guest Archbishop Scott. The Morning Service was followed by a luncheon. Then with music supplied by Haliburton County Centennial Choir under Bill Gliddon and the Haliburton Legion Pipe Band, an impressive service followed. Greetings were brought by Reginald Booth, Reeve, Murray Fearrey Warden, Glen Hodgson M.P.P. and Norman Maidens (Mr History). Professor William Ormsby of Archaelogical and Historical Sites branch gave some interesting facts about how Historic Plaques are set up. Then Archbishop Scott unveiled the Historic Plaque on the lawn, honouring St Paul's in its 110th year. This Church is designed in the Gothic Style and has remained the same until 1947 when the Tower and Parish Hall were added. Now we have two Historic Sites, this one and the one on the Clergy House Lawn.

Barbara and Bob Davidson and family of Ottawa visited with his parents Mr and Mrs George Davidson over the weekend.

Mr and Mrs Bob Normile of Napanee visited their relatives in the Area over the weekend.

In reply to several inquiries, Red Cross Swim Registrations will be Minden Dock, on Sat June 29th from 10-12 and 2-4 that afternoon.

Congratulations to Sharon Miscio of Haliburton who won the Jackpot of $250 in 57 numbers called at Rotary Bingo last Thursday night.

There was a large crowd at the Garden Party by St Paul's Parish which had been taken to the Parish Hall because of rain. Everyone enjoyed the delicious lunch and the entertainment by the Kellett Group, the Barnhart Girls and the Kinsmans Choir.

Haliburton and District Association for the Mentally Retarded

Our first Flowers of Hope Campaign held in this area with it's proceeds going to the Workshop for the Mentally Retarded has slipped into history but the response will not soon be forgotten.

Again as publicity chairman, on behalf of our entire executive and the trainees and their supervisor, I wish to thank everyone for what I am sure for many was sacrificial effort to help us reach our objective.

To list the individual donors would be an insurmountable task, and in attempting to do so I am sure I would miss someone and possibly lose a much needed supporter for another year. I have however, prepared a breakdown by areas of the amounts that came in.

These figures are as accurate as I can ascertain at present writing and coincide with the figures in the office of our treasurer, Mr. Gerald Dawson.

If there are minor discrepencies they are not intentional. In the Minden, Haliburton and Wilberforce areas, the work load of the canvass fell on the students of the Haliburton High School, and believe me they accomplished a tremendous effort with very short notice.

In Cardiff, it was students again, under the leadership of Mrs. Steve Ryan and Mrs Davies, boosting our total in that area. From Tory Hill, Mrs. Gladys Haas and Mrs R. Anderson turned in a fine effort.

Help from an unexpected source came to light when Mrs. Gladys Haas, of Tory Hill advised us of a bingo that was held on Saturday June 1, sponsored by the L.O.L. Haliburton Branch.

Prizes at the bingo were donated by local business firms and for this we say thank you.

The Lodge donated their hall, their time and with the assistance of Mrs. Haas made the evening a real lucrative one for our association be donating their proceeds of $204.75 directly to our workshop effort.

Now the news you have been waiting for, a breakdown and final total to date of our campaign:

Wilberforce Legion	$16.45
Wilberforce Veneer	$10.00
Minden Rotary Club	$100.00
Special Donation from relatives in Oakville, Ont.	$125.00
	$251.45
Minden	$533.00
Haliburton	$577.29
Tory Hill	$96.10
Cardiff	$157.10
Wilberforce	$105.48
Gooderham	$91.70
Canarvon	$10.90
	$1571.57

These two sets of figures give us a present total of $1823.02. In listing the Clubs and Associations that I have this does not indicate that these are the only ones that have sent in donations but they are the only ones that have passed through my hands here and so to all the rest that sent theirs direct to our treasurer may I include you all in our sincere thanks.

In closing I would remind everyone that our objective was $2000.00 and we are just a wee bit short of that amount so do not feel that it is too late to write or call in if you feel that you can help us put this over the top.

Yours Truly,
Ed Johnston
Publicity Chairman.

Family property laws affect every one of us.

These are the proposals Ontario is considering to improve them.

Have you ever thought about how much your life is affected by family property law? Probably not. Yet, hardly anything you have goes untouched by these laws—the property you owned before you were married, the property you've acquired since, your home, your joint bank account, your credit, even survivor's rights when your husband or wife dies.

Because family law is so fundamental, several years ago the Ontario Government asked the Ontario Law Reform Commission (OLRC) to consider the relevance of the existing laws to today's needs and to recommend appropriate changes.

The Commission has reported and now the government is interested in learning your reaction to these recommendations.

Should ownership of family property including the family home depend on who actually paid for it?...or should a system of co-ownership of assets be developed on the basis of marriage as a social and economic partnership?

Should a spouse be entitled to an interest in the property of the marriage even when he or she has been unfair or unfaithful?

How should the wife's non-monetary contribution to the development of the husband's business be recognized?

If a system of co-ownership of property were introduced, should a couple have the option to draw up their own contract or make other arrangements to govern the property of their marriage?

Should the proposed changes apply to existing marriages or only to future marriages?

The Commission did consider other kinds of community property systems including those in which sharing would take place from the time of marriage. As the OLRC proposals now stand, assets acquired during the marriage would be shared only when the marriage ends.

The Commission also recommends that both husband and wife have a duty to support their children, and to support each other, when the other is in need and is unable to work.
Do you agree with these proposals?
We want to know what you think.

To enable you to learn more about the OLRC proposals, your Ontario Government now offers a concise, easy-to-understand booklet, as well as a film on the subject for group discussions. We invite you to send for the booklet or borrow the film for your group. And, we'd like to know what you think of the OLRC's proposals, as well as other changes you'd like to see in family property law.

After all, the laws are designed to serve you.

Obituary

LEIGH HARRISON

With great sorrow we write these words of Leigh. He was born in the township of Minden on June 8, 1905, the eldest of the family of William and Nellie Harrison.

In 1933 Leigh married Ruth Coulter of Boshkung. They had one daughter Marilyn, who resides in Minden.

The larger part of Leigh's working years were spent at logging. The last eight years he worked at the Ontario Provincial Police building as guard and caretaker, before retiring because of illness.

Living in the Minden area the larger part of his life he made many friends, and was well known.

Left to mourn his passing are his wife Ruth, daughter Marilyn and her husbsnd Tom, and one Grandaughter Lisa. Sisters Dorothy, Emma, Kathleen and Gladys. Brothers Russel, Marshal, and Goldie.

Women's Institute Meeting

On June 11, the U.C.W. Wilberforce, finished its season's work with a Pot Luck supper at Mrs. Geo. Earles cottage. There were nineteen people present.

Devotions were taken by Mrs G. Miller. They began with a Hymn sing. The topic used was the twenty-third psalm an interesting discussion followed. Then Mrs Heather Hines closed with a prayer.

A short business period followed. As this was Mrs Miller's last U.C.W. meeting with us, we made it into a party.

Mrs Smith presented her with an overnight bag on behalf of the members and friends present. Mrs Miller thanked everyone for their kindness.

After the singing of For She's a Jolly Good Fellow - we enjoyed another cup of coffee. Special guests were Mrs Mary Dunford, Mrs Ada Pacey and Mrs Mildred Speers.

Manpower Statistics

Employers in the area serviced by the Peterborough Canada Manpower Centre notified the Centre of 736 vacanies during the month of May. This compares to 908 for May of 1973.

Mr. Wilf Jones, Operations Supervisor, states that the unusually rainy spring delayed agricultural activities, affected the personal service sector in the tourist industry, and that construction, especially in house building, was almost at a standstill for some days due to the inclement weather. Some material shortages and repercussion of the energy crisis caused a decline of vacancies in the manufacturing sector. Three hundred and thirty placements were made.

There are 4307 persons registered at the Peterborough Canada Manpower Centre as unemployed and seeking work. Mr. Jones said that there continues to be a shortage of workers willing to accept, or who meet the requirements of some 117 jobs posted in the Job Bank of the Job Information Centre.

During May 10 workers were relocated to other areas and received assistance under the Canada Manpower Mobility Program. Six workers were also assisted in exploring other areas for work. There is a strong demand for workers willing to relocate to Western Ontario.

Twenty persons commenced training at Sir Sandford Fleming Community College, and will receive their training allowance from the Peterborough Canada Manpower Centre. Mr. Jones stated there are still vacancies in the basic training courses, which generally is the first step in skill courses, such as machine shop, welding, business and commerce, etc.

Fifty tests were administered during May. Some of these tests were given to clients as part of a counselling process, others included persons tested at employers' request, and included, general aptitude, typing, short tests of clerical ability.

Gems of Truth

The term "church Membership" can mean different things to different people, depending upon what branch of the professing church they adhere to. Some groups ask little more from their members than an assent to their creed and observance of their ritual. To such their spiritual leader assures them that all is well and eternal security is their portion since they belong. Then there are others who believe in a personal acceptance of Christ as Saviour and eternal union with Him in order to belong to the Church which Jesus said He would build. Mattthew 16:18.

To most people membership in the church means joining a visible organization and are content with that. They have never been informed about the true meaning of church membership as it is taught in the New Testament. They know nothing of the Church as the Body of Christ, indwelt by the Holy Spirit being the true Church. No one ever told them that it is possible to be a member of the visible church and yet not be a member of the true Church of Christ or that it is possible to be a member of the true Church of Christ although one has no connection with any group or visible body.

The Church which Jesus said He would build is made up of individuals who came to Him as a sinner and asked the Saviour to take up His abode in their life. Such find forgiveness from sin and cleansing from sin and such the Holy Spirit places into the Body of which Christ is the Head.

No person can come between us and Him and thus mediate salvation for us. Acts 4:12. One is not saved by the fullness of our knowledge of Christ but it is by a personal faith in the Lord Jesus that unites us to Him and makes us a member of His Body which is His Church. There is no other way of becoming a member of the True Church. John 1:12,13.

Such members are sealed by the Holy Spirit and are God's children forever. Ephesians 1:13, 4:30. Such marvelous grace calls for a Christian walk of life worthy of our calling and a life well-pleasing to our Lord who saved us. Colossians 3:1-17.

SCRIPTURE MEDITATION: "Now ye are the Body of Christ, and members in particular". 1 Corinthians 12:27

Food for Thought: "schisms in the Body of Christ are spiritual cancer".

News from Hall's Lake

Mr. and Mrs. Ted Fawcett of Toronto spent a part of their honeymoon here at the Lake in the Velleneuve cottage. They had been to Quebec City and had a lovely trip en route to Haliburton where Ted has been coming since a small lad. Congratulations to Sharon and Ted, and Best Wishes!

Corporal Tony Hale and his wife Doreen and their wee son Mark Anthony have been moved from the East Coast to Oakville, and they have spent recent week-ends with Mr. & Mrs. Harry Cummins.

Mr. and Mrs. Kellerman from Ethiopia are spending several days with Miss Marjorie Johnson.

Mrs. Marj. Watson has been away visiting friends and family in Sarnia, Orangeville, Stratford and other points.

Mr. Albert Hart is visiting in Etobicoke prior to driving to Edmonton to visit his daughter.

This was a beautiful weekend with the odd shower to help the plants and seeds along. One could almost see them growing -- especially the Morning Glory seeds.

Mr. Murray Walker wants to know why something isn't being done about the terrible plague of caterpillar tents on so many of the trees, and why the Ministry of Natural Resources doesn't do more spraying for the black flies and mosquitoes. Everyone says they are worse this year than any other year! He thinks some of the money spent in sending men to the moon could be spent to make life here more liveable.

It was interesting to note in the recent local paper write-up the findings of the Grand Jury in Lindsay at its most recent sitting -- many of the suggestions were the same as last year's and other years as well. We wonder how long it takes to get the improvements looked after and why they pay each jury year after year to make the same inspections and the same comments?

Schools in the cities are now out for those not having to try exams so there are lots of young people around the Lake. Tom Montgomery and Patricia Hunder are coming back to work for the summer months and we trust other young people from the area and those whose families have cottages up here will find employment. Cutting grass and cleaning up and painting should be at least good for part-time work.

OPP report

A two vehicle accident in Haliburton on Friday afternoon resulted in $3,200 damage.

According to the OPP a vehicle driven by Michael Popert of Kinmount suffered $1,200 damage when it entered the intersection and was struck by a car driven by Altha Burke of Haliburton.

The Burke vehicle sustained $2,000. damage.

Walling chosen to represent Liberals

David Walling is the unanimous choice of the Victoria-Haliburton Liberal Association to contest this riding in the 1974 federal election.

Nominated by Dr. Ronald Sears of Lindsay with Pat Duggan of Downeyville seconding the motion, the choice was made in a matter of minutes as the nomination was uncontested.

In his acceptance remarks, Mr. Walling devoted considerable attention to his opposing candidates. He scored NDP candidate Maurice Windatt by labelling him "Maurice the waster" and saying he never could understand how a man who had worked as a bank manager and been a capitalist all his life, could be pushing and promoting socialism.

"The other fellow -- Bill Scott the good guy, doesn't do anything wrong, in fact he doesn't do anything," the Liberal candidate declared as he took issue with the Scott's press releases. "Ask him (but make sure he has a Bible in his hand when you do), who writes all his press releases -- I know who writes them. I often wonder if the local paper has a heading set up "Bill Scott says."

Noting that people sometimes refer to Bill Scott as a nice guy and say he takes care of his home work, Mr. Walling charged that about all this involved was opening fall fairs, expediting passports and taking occasional issue with the Unemployment Insurance Commission.

"For $25,000 we should get real involvement," Mr. Walling declared as he expressed concern that Bill Scott seems to be involved in the riding only at election time. "The way he does his thinking is through press releases," he suggested. Mr. Walling said the position of the opposition is to get up and argue with the government.

Questioning the accuracy of some of Mr. Scott's observations, Mr. Walling made specific reference to a poll the member had conducted on capital punishment. Recalling that the member had reported 80 per cent of those replying to an advertisement he had run in favor of capital punishment. "I suggest there should have been an indication of how many he did hear from -- it was the duty of the press to find out -- 80 per cent of what?" said Mr. Walling.

"These are things that are jammed down our necks week after week. What it all ads up to is I want to run on a Liberal ticket because I don't think we're getting a fair shake from the member we have there now. I am interested in a better quality of life for everyone -- not just the chosen few...I am concerned that farmers in this area get a good show...I am interested in people being able to take home a little more pay than they are in this area."

Mr. Walling said there was one thing in the last federal election which hurt him a little bit and that was the losing of the polls in this area of Lindsay (the meeting was held in St. Mary's Separate School auditorium.) He attributed this to a lie curculated about him which claimed he had said he was in favor of wholesale abortion. "It was not true," said Mr. Walling as he suggested it was someone of another politicale stripe who spread the damaging report.

In his appeal for a united effort to win the riding, Mr. Walling said it could be done if 300 Liberals would each convince 15 PCs to vote Liberal in his election.
